WASHINGTON, DG 20003

INSPECTOR GENERAL

November 6, 2007

## <u>MEMORANDUM</u>

TO:

Phillip D. Morse, Sr.

Chief of Police

FROM:

Carl W. Hoecker

Inspector General

SUBJECT:

Followup Issues on the Student Loan Repayment Program

(OIG-2008-01)

At your request, the Office of Inspector General (OIG) followed up on two issues related the Review of the Student Loan Repayment Program (OIG-2007-07). Specifically, we determined whether (1) disbursements exceeding \$10,000 for a recipient in an individual fiscal year were funded with the appropriate fiscal year appropriation and (2) the disbursements under the student loan repayment program were included in the calculation for the annual salary cap.

GUN Howl

OIG reviewed the available National Finance Center raw payroll data for FY 2005 and 2006 for all 13 recipients (Attachment A) with amounts that exceeded the \$10,000 maximum disbursement per fiscal year. We found that the Department paid the FY 2005 and 2006 disbursements from the appropriate fiscal year appropriation. In addition, the Government Accountability Office (B-305835.2, United States Capital Police—Overtime Pay and Compensatory Leave for Members and Civilian Employees) stated that student loan repayments would not be included in the Schedule of Rates of Basic Pay for members of the Department. Accordingly, the Department excluded student loan repayments from the maximum annual payable rate.

If you have any additional questions or need additional information, please let me know.

Attachment: As Stated.
